

Do you buy groceries, gas, or fast food?

Then, using scrip, you could get a rebate without spending any more than you do now!

What is scrip? Scrip is fundraising through the sale of gift cards. The person who buys the gift card gets the full value they paid AND the merchant makes a donation! See the full list of merchants for cards that are available and percentages that they donate. There are some businesses that sell electronic gift cards that can be purchased anytime.

Why should I buy scrip? As long as you spend your card, you have generated a donation that didn't cost you anything! You will receive a tax notice at the end of the year listing the amount you donated, so you may pay less in taxes. Also, 40% of the donation is banked for you to use on something for Dexter McCarty, or if you have a middle or high school student in the district, you can bank for their expenses.

How do I buy scrip? You pay with the website, cash, check, or credit card (please no card purchases on cards that return 3% or less). Cash and check are preferred because it saves the program expenses.

Where do I buy scrip? You can buy scrip from the on-hand book of scrip, you can order scrip on an order Monday (with your order ready by Friday) or you can buy scrip-now by making a phone call and providing payment or better yet, signing up for the website yourself. Orders can be placed by dropping them in the office as well.

When do I buy scrip? The on-hand book has cards that I have pre-purchased. I come on Mondays after school, or email me if you need something some other time and I will let you know what I can do. You can buy scrip-now on the website, or I can help if you need something and are not signed up for the website. Or you can put in an order on a purchase date—delivery of those orders will be available by Friday of the same week. Order dates for this year are:

October 17th and 31st
November 14th and 28th
December 5th and 12th
January 9th and 23rd

February 6th, 13nd and 27th
March 13th and 20th
April 3rd and 17th
May 1st, 8th and 22nd
